Re: Request for exemption from commission's Closed Captioning Rules

Las Voces de Laredo submit this petition requesting exemption from the closed captioning requirements, under section 79.1 of the commission's rules

The tv show of: "Las Voces de Laredo" Talent show is a continuation of a program that had been on air since 2005 in many different channels such as KGNS, KVTU, TELEMUNDO, & XEFE TV CANAL 2 from Nvo. Laredo Mexico we want to started the show on Univision on LATV Channel 80-5 on cable in Laredo Tx.

The purpose of this program is to support the local talents and specially to students that like to sing. All winners gets different prizes, some times the students are provide with : scholarships, which are provided by a non profit organization named Lulac consul 12 this Program is 100% a Family Tv Show. is on Spanish with many segments as beauty, cartoons, spectacles, and culture.

the main purpose of this program is to entertain families and show them the education and moral values. Las Voces de Laredo will appreciate a positive response, to this petition.

Close captioning would add a prohibitive cost to an already heavy expense, which would prevent future programming of this program in the future.

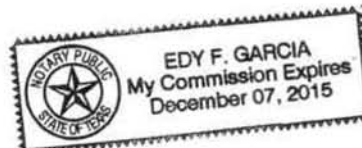

Again we respectfully request that (Las Voces de Laredo) be exempted from closed captioning requirements for the above state reasons. We may be contacted at:
